Environmentally friendly life

OUR MISSION

At ECO Packaging Direct, our mission is simple: to deliver sustainable packaging that looks as good as it performs.

We're committed to reducing waste and protecting the planet by using eco-friendly materials, without compromising on quality or style.

By sourcing directly from our factory, we keep costs competitive and delivery times fast, making it easier for businesses to make a positive impact on the environment and their brand.

**SUSTAINABLE
MATERIALS**

WHOLESALE PACKAGING WITHOUT THE MIDDLEMAN

Your customers need packaging that's stylish, sustainable, and reliable. To stay competitive, you need a manufacturer you can trust to deliver it - without middlemen, delays, or inflated prices.

At ECO Packaging Direct, we manufacture and supply eco-friendly packaging solutions exclusively for wholesalers. With direct-from-factory pricing, consistent supply, and full customisation options, we give you everything you need to grow your packaging business and satisfy your customers.

WHO IS ECO PACKAGING DIRECT?

We are the manufacturer behind some of the **most innovative and sustainable** packaging in the market today.

As a wholesaler, you don't need another distributor; you need a direct relationship with the factory.

That's what ECO Packaging Direct delivers:

- Factory-direct pricing to protect your margins.
- Reliable supply so you never miss a sale.
- Eco-certified materials that your customers demand.
- Custom branding to give your clients a competitive edge.

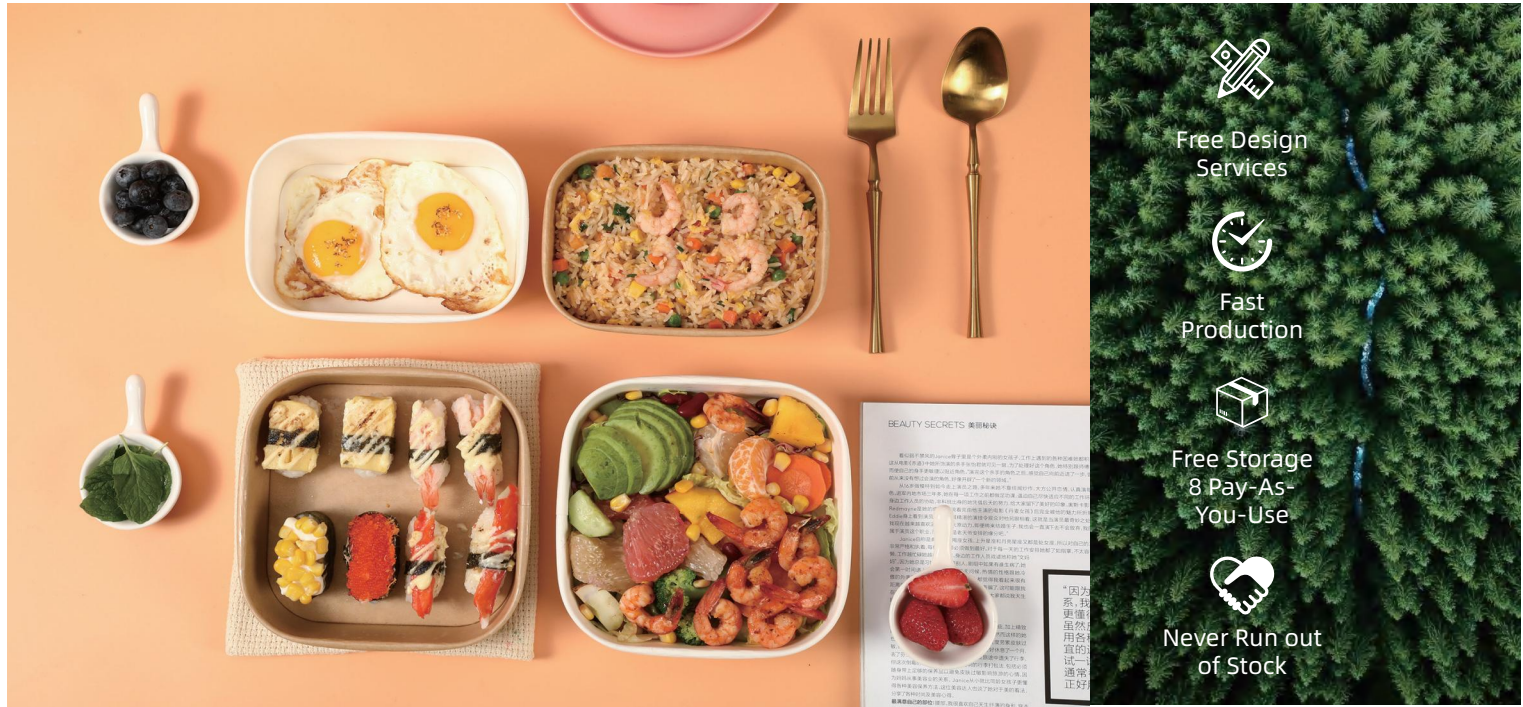

When you partner with ECO Packaging Direct, you gain more than a supplier; you gain a manufacturing partner committed to your success.

“IF IT HOLDS FOOD,
WE CAN BRAND IT!”

ECO Customise Printed

Get ready to add some serious sizzle to your takeaway game , because We live and breathe custom-printed food packaging and packaging, and our design geniuses have a wealth of experience in food packaging . Join forces with the experts, let's make your brand stand out in the most fantastic way possible!

DO YOU NEED CUSTOM PRINTING?

Pizza boxes are more than food packaging. They are travelling billboards that put your customer's brand into homes, offices, and events.

Our pizza boxes are:

- Fully customisable with logos, colours, and designs.
- Made from durable, eco-certified materials.
- Manufactured at scale for reliable wholesale supply.

By partnering with ECO Packaging Direct, wholesalers (like you) can deliver high-quality custom-printed pizza boxes that help their customers stand out while maintaining strong margins.

Secure reliable supply at wholesale scale

“SNAP SHUT, SERVE FRESH”

- **Secure closure** - keeps food fresh and prevents spills.
- **Stackable design** - saves space in storage and transport
- **Eco-friendly materials** - a sustainable choice for takeaway meals.

CLAMSHELLS

Our clamshell containers make takeaway simple. Strong, stackable and easy to close, they're perfect for burgers, snacks, salads and more. Customers get food that's secure, fresh and ready to enjoy.
